

## Run No. 2164: Kick Me in the Balls Run

8 August 2011

Hare: Twin Tubs

Venue: Mansfield Tavern, Mansfield

The Mansfield Tavern seems to be a popular location for Hare Twin Tubs. However, the run name, "Kick Me in the Balls Run" seems odd. Tinkerbell recorded the attendance of hashmen as they arrived for the run. We milled around in the carpark in various groups. Nothing unusual there!

GM Handj0b greeted the pack with sad news. Licker, aka Rod Young, had passed away on Sunday August in Bundaberg during a fun run. Licker was a well respected member and a regular runner at Brisbane Hash. We'll miss him. The GM asked for a minute of silence in memory of Licker.

The Hare, Twin Tubs, was brief in his advice of the run. "It's on that way!" Maybe someone already provided a kick to his lower regions as described in the name of his run. The pack was away down to the tavern driveway into a Two Way Check at Wecker Road. The pack split with both groups calling until the group who turned right found the False Trail. We followed trail into Mingera Street and then round various back streets until running onto Newnham Road and eventually Broadwater Road. The back markers arrived at the end of Cresthaven Drive just before Broadwater Road as the pack turned up Dirkala Street and the walking dead continued down Broadwater Road.

That was the last I saw of either the running pack or the walking dead. Scruffy, recently returned from Europe, had lost all sense of direction around Brisbane and together we wandered aimlessly until we hit Ham Road, then left into Wecker Road and on home. The runners and walkers were already into the hash beer. First thing, GM Handjob called upon the assembled circle have a drink in memory of our lost hashman Licker, who was definitely a good mate and he will be missed. Then the GM awarded various hashmen down downs for milestone runs.

This included Vaso, Dinpr\*ck, himself and others. Sir Kimbies didn't even blink at his award for 999 runs. Unfortunately Monk Luftwaffe was not available and his deputy Mu has abandoned his post for Indonesian. With little notice, Royal Screw stepped up and punished various miscreants.

He called upon a Mu look-a-like, Pussy Galore, and seated him on the ice. Also iced was on Catgut.

Score for the run. The first part of trail seemed a repeat of a Dole Bludger and Twin Tubs run from two years ago. Still it was short and on a cold evening the beer beckoned - so 7 out of 10!

The circle was thankfully brief, Well worth 7 out of 10!

The nosh was the usual pub fare and only scored 7 out of 10.
