

## Run # 2305 Report

**Date:** 21 April 2014 - Easter Monday

**Location:** Some park in Carindale (I forgot and the receding hareline doesn't show anymore)

**Hare:** VD

About 8 runners and 8 walkers assembled for an Easter blessing by **GM F\*#@nut**. Over to hare **VD** who provided pre-run / walk instruction... "follow the arrows". This important piece of trivia was revealing (to great surprise) amid "wow..do tell"..which explained a lot to most assembled hashers who have been struggling with the concept for many years.

As for the run, check backs too many...hills too few...complaints uncountable.

But the highlight was the arrest of **Boxer** (+ four legged family), **Radar**, **Waste of Time**, and **Verbal D** on unspecified charges of loitering in a schoolyard.

**Monk Little Ar##\* Play** had nothing to offer, however the **Monk** was nominated by the **GM** for not attending his own wedding on the Easter weekend, which on all accounts was a gala event. It was reported that **Anchovy** did a magnificent job standing in for LAP. The **Monk** immediately ordered a writ of habeas corpus against **Anchovy**.

Venue: 9/10

Run: 8/10 - not enough RGs, and gumboots???

Food: 7/10 (not free-range chicken as it looked like it was feed in a 15cm X 15 cm box)
